

Customer Preparations for Flea Control

Prior to service by Bain for Fleas:

- Have your pet treated the same day as Bain's service.

- Wash or destroy pet all bedding.

- Vacuum all floors (carpeted and non-carpeted) thoroughly.
 - * Pay particular attention to areas under furniture, behind furniture, and around the perimeter of room.

- Remove cushions from furniture and vacuum.
 - * Remove dust bag from vacuum immediately after vacuuming, seal in plastic and remove it from the house.
